### Details

- Entry fee is \$30 per division with guarantee of 3 matches.
- Doubles and singles divisions will be offered at ESTC. Other tournaments may vary.
- Format is flexible in order to give players the highest number of matches possible.
- Coaching is allowed. Coaches need to sign a coaching agreement. Parents may not coach unless they are a staff member at one of the represented clubs. Coaching is allowed at changeover, within the regular pace of play and without verbal interruption. Coaches are there to help ALL players, not just those from their own facility.
- Players will receive Universal Tennis Rating (UTR) credit for all matches played.
- Player UTRs will be used when selecting players for the tournament and/or division/draw.
- All draws will be level-based. Placement is based on UTRs when accurate ratings exist. Note that many UTR ratings are not complete and therefore lack accuracy. Tournament Director has the discretion to adjust the draws based on other determinants as needed. All decisions are final.
